Dear Nirmalaji

This is in continuation to my earlier letters based on my initiative to protect and help MSMEs.

On 09 January 2021, I had another Video Conference to reach out to MSMEs to understand the problems and challenges being faced by them in availing the credit facilities from Banks as mandated by the Government. Over 100 MSMEs from all over South India and New Delhi attended the Video Conference.

I had referred this issue during my meeting with you at the Party office and followed that with an email. I am attaching representations received from different organisations for your review and consideration.

Yours sincerely,

RAJEEV CHANDRASEKHAR
